5. 7×6
6. What is the value of the underlined digit? 732

1. What is 63 multiplied by 100?
2. What is $640 \div 10$?
3. What is the value of the underlined digit? 32567
4. $2234 + 763$
5. $873 - 562$
6. 54×4

Just a reminder, if your child would like to have their own copy of Cosmic we are about to begin. It's not too late.

Times Tables

If you have been given a times table book, you need to practise your 3s. Remember that you can also use TT Rockstars to help. If you haven't been given a booklet, you need to generally keep up practise of all of the times tables.

Spellings

| <u>Green</u> | <u>Purple</u> |
|--------------|---------------|
| self | to |
| selves | too |
| thief | two |
| thieves | they're |
| knife | their |
| knives | there |
| half | stop |
| halves | pulled |
| critic | king |
| criticise | learn |

Space Homework Project

We would like you to produce an informative guide to our solar system. This can include lots of general information, but we would like you to focus on one major planet in detail. You could choose to present this as: -

- A poster.
- An information guide.
- A leaflet.
- Or use your imagination!

Please bear in mind it needs to be able to fit into your theme book so **no larger than A3** which can be folded.

If you need any help, please ask your teacher well in advance of the deadline.

This project will need to be in on 27th September.

If you would like to be your class Young Governor for the School Council: You need to write a speech explaining why and what *you* would bring to the classroom and the school, ready to present to the class.

This will need to be completed by Friday 27th September and kept in school for when we vote for a new Young Governor.

Homework is due in on 27th September.
