Female Pirates

7 Many years ago, women were not allowed
16 on ships as they were considered to bring bad
25 luck and a stormy night of sailing. However, some
33 women went against these rules and wanted to
40 become pirates. Two famous female pirates were
48 called Anne Bonny and Mary Read. These two
57 women dressed up as men and fought as pirates
64 fiercely and fearlessly. In November 1720, the
73 ship that Anne and Mary were on was captured
80 by a pirate hunter called Captain Jonathan
88 Barnet. These two women were the only people
96 onboard who were brave enough to fight against
